## ATTENTION ANGLERS

The North Dakota Game and Fish Department announces the following regulation change from amendment number one of the 2020-2022 North Dakota Fishing Proclamation.

### Paddlefish Snagging Harvest Season Canceled

- The Department is canceling the upcoming paddlefish snagging harvest season due to the coronavirus pandemic.
- Paddlefish snaggers concentrate in large numbers in a small area, and often times are snagging while shoulder to shoulder making it hard to maintain proper separation.
- The amendment does allow for the possibility of a one-week snag-and-release season May 15-21. This would be two weeks later than the normal opening day with less participation expected.
- If there is a snag-and-release season, anglers would only need a fishing license. A paddlefish tag would not be required.

For additional fishing information visit our website at [gf.nd.gov](http://gf.nd.gov)

A complete 2020-2022 fishing proclamation along with amendment number one is available from the North Dakota Game and Fish Department, 100 North Bismarck Expressway, Bismarck ND 58501-5095. (701) 328-6300
