Thank you

Thank you

We can not thank our family, friends and community enough for all the support we've received over the past 7 months. The benefit, raffles and emotional support are very much appreciated. There are too many people to thank by name. Thank you to all that worked to set up the benefit super and the raffles, and thank you to all that donated items. Please know that we greatly appreciate all the support. It's an amazing feeling to know how many people care and want to help. We are blessed to live in a community that helps with all its heart. Treatment is going well and we look forward to a full recovery.
